👤 PROFESSIONAL SUMMARY

Electrical and Computer Engineering student with a strong interest in programming and core engineering concepts. Actively engaged in learning new technologies and participating in technical activities. Focused on developing practical skills and building a solid foundation for a career in engineering.

🛠️ PROFESSIONAL EXPERIENCE

- **Machine learning intern**, *ElkanIO Research Labs*

Hands-on experience in building and deploying machine learning projects, applying data preprocessing, model training, and evaluation techniques to solve real-world problems.

- **Electrical Engineering Intern**, *KEL*

Completed internship training in various sections of transformer division such as winding, core building, core coil assembly, terminal gear fixing, tanking and testing at Mamala Unit of the company.

🎓 EDUCATION

- **Bachelor in Electrical and Computer Engineering** 2023-2027

- *Toc H Institute of Science and Technology, APJ Abdul Kalam Technological University*

🧠 TECHNICAL SKILLS

- **Languages:** C, Python, Java.
- **Technologies:** Arduino, IoT&Cloud, Flask, AI Tools.
- **Soft Skills:** Project Management, Public Speaking, Team Leadership, Time Management, Communication.

📁 PROJECTS

- **GreenSwap**

Built a full stack second-hand marketplace with a RESTful API and a gamified Eco-points system.

- **Lost and Found**

Developed web platform for reporting and retrieving lost items with efficient user interaction.

- **College Bus Tracker**

Designed a GPS-based system to track college buses in real time and estimate arrival times.

🏆 ACHIEVEMENTS AND CERTIFICATIONS

Indo-Malaysian Hackathon, *St. Thomas College of Engineering and Technology, Chengannur*

Participated in the Indo-Malaysian Hackathon focused on Sustainable Development Goals.

Data Science Essentials: Python-Powered Learning, *IIIT Kottayam (Dept. of CSE)*

Has completed 6-day workshop in Data Science Essentials: Python-Powered Learning

🏠 LEADERSHIP AND VOLUNTEER EXPERIENCE

- **Event Coordinator**

Vidhyuth, techfest of department of electrical and computer engineering
